The Honorable Livingston T. Merchant
Assistant Secretary for European Affairs
Department of State
Washington 25, D. C.

Dear Livvy:

I very much appreciate your forwarding to me the letter Betty received from Mrs. Michener suggesting that consideration be given to Dr. Gordon Murray's cancer research in connection with Foster's treatment.

I have brought Mrs. Michener's letter to the attention of the doctors who are in charge of Foster's treatment and if you consider it appropriate, I am attaching a thank you note I have signed for forwarding to Mrs. Michener. If you see no objection to my letter, will you please just send it along.

Again, many thanks for your thoughtfulness.

Faithfully,

SIGNED

Allen W. Dulles
Director
